State Programs

School Violence Prevention

Montana Office of Public Instruction

The School Violence Prevention page provides resources for schools and educators.

Website: <https://opi.mt.gov/Leadership/Management-Operations/Emergency-Planning-Safety/School-Violence-Prevention>

School Safety Professional Development Grant

Montana Office of Public Instruction

The School Safety Professional Development Grant provides funding to schools to support school safety professional development.

Website: <http://opi.mt.gov/Leadership/Academic-Success/Title-Other-Federal-Programs/Title-IV-Part-A-Student-Support-Academic-Enrichment/School-Safety-Professional-Development-Grant>

Emergency Planning & Safety

Montana Office of Public Instruction

The Emergency Planning & Safety program shares information about emergency operation plans. Emergency Operations Plans provide guidance and practical solutions on how to prepare for, respond to, and recover from emergency situations.

Website: <https://opi.mt.gov/Leadership/Management-Operations/Emergency-Planning-Safety>

Safe School Environment

Department of Public Health and Human Services

The Safe School Environment is dedicated to providing resources and training on preserving a safe learning environment in Montana schools. The information was developed by a group of partners focused on keeping the school environment safe and inclusive for all students and staff.
