Safe and Healthy Students

The Title IV-A Safe and Healthy Students Program is to provide support to schools and LEAs so that every student can experience a safe, healthy, and supportive learning environment, including focusing on students' physical and mental health, and safety. A safe, healthy, and supportive school environment is the product of a school's attention to fostering safety; promoting a supportive academic, disciplinary, and physical environment; and encouraging and maintaining respectful, trusting, and caring relationships throughout the school community, focusing on the fostering of positive conditions, climate, and culture, including family and community engagement.
