## State Programs

### Indiana Office of School Safety

#### Indiana Department of Homeland Security

The Office of School Safety is responsible for school safety specialist training and certifications, and it supports Indiana schools' safety efforts in a variety of ways by establishing and maintaining guidelines on school facility security, emergency response protocols and school safety plans.

**Website:** <https://www.in.gov/dhs/school-safety/>

## **Physical Building Safety and Security**

### **Indiana Department of Homeland Security**

Indiana Department of Homeland Security provides guidance from state and national agencies to help ensure school buildings are protected and individual classrooms have safeguards that can be implemented in the event of an emergency.

**Website:** <https://www.in.gov/dhs/school-safety/physical-building-safety-security/>

## **Secured School Safety Grant Program**

### **Indiana Department of Homeland Security**

The Indiana Secured School Safety Grant provides matching grants to Indiana school districts across the state to address potential safety threats and help them prepare.

**Website:** <https://www.in.gov/dhs/grants-management/secured-school-safety-grant-program/>

## **Indiana Event and Training Calendar**

### **Indiana Department of Homeland Security**

The Indiana Department of Homeland Security's Office of School Safety offers continual training for Education Staff, Administrators, and SRO's to keep Indiana schools safe.

**Website:** <https://www.in.gov/schoolsafety/education-and-training/>

## **Indiana School Safety Specialist Academy**

### **Indiana Department of Homeland Security**

The Indiana School Safety Specialist Academy (ISSSA) provides ongoing, certified training and information on national and state best practices, as well as exemplary resources for school safety, security, intervention/prevention, and emergency preparedness planning.

**Website:** <https://www.in.gov/doe/students/school-safety-and-wellness/training-opportunities/>

## **Indiana School Safety Hub**

### **Indiana State Government**

The Indiana School Safety Hub represents the first phase of the state's strategy to streamline information and safety-related resources available to communities across the state.

**Website:** <https://www.in.gov/schoolsafety/>

## **State Grants & Funding Opportunities**

### **Awards**

[Indiana Secured School Safety Grant](#)

The SSSG program is an allocated state fund that provides matching grants to school corporations, accredited non-public schools, charter schools and coalitions of school corporations. SSSG funds may be used to employ an SRO, conduct site vulnerability assessments, or purchase safety equipment/materials/technology.

[Advances from the Common School Fund](#)

A school corporation or charter school who has applied for and been awarded a matching grant from the Indiana Secured School Fund may apply for an advance from the Common School Fund.

[Other Funding Opportunities](#)

This website lists both Indiana and federal programs that provide funding resources relevant to school safety.

## State Events & Opportunities

### [2026 Indiana School Safety Conference](#)

June 17, 2026

The mission of this conference is to promote safe learning environments in Indiana schools, and give attendees the opportunity to learn about and engage with leading practices in school safety.
