## State Programs

### State Department of Education

#### State Board of Education

The Maine Department of Education, in collaboration with educators, schools, districts and communities Statewide, strives to provide all Maine students access to educational experiences, PreK through adult, that lead to their success in life and career.

**Website:** <https://www.maine.gov/doe/home>

### School Security

State Department of Education

The Maine Department of Education school security team provides information to schools and works with the legislature to ensure that schools are prepared for all types of emergencies.

**Website:** <https://www.maine.gov/doe/schools/security>

## Office of School and Student Supports

### State Department of Education

The Maine Department of Education's Office of School and Student Supports coordinates resources and programs that promote psycho-socially, physically, and environmentally healthy school communities for all.

**Website:** <https://www.maine.gov/doe/schools/safeschools>

## Facilities & Construction

### State Department of Education

The Maine Department of Education's Office of School Facilities and Transportation works to ensure that all Maine students have access to healthy, safe, and educationally appropriate facilities.

**Website:** <https://www.maine.gov/doe/schools/facilities>

## School Preparedness

### Maine Emergency Management Agency

The Maine Emergency Management Agency houses school preparedness resources. School preparedness has two facets, emergency planning for the school site itself, and educating school staff and students about hazards and emergency planning.

**Website:** <https://www.maine.gov/mema/maine-prepares/school-preparedness>

## School Safety Center

### State Department of Education

The Maine School Safety Center, a division of the Office of School and Student Supports, works to deliver high quality, up-to-date best practices, procedures, training, and technical assistance and support to Maine Schools.
