Emergency Planning For School Systems and Schools

State Department of Education

The Emergency Planning For School Systems and Schools page houses resources from the state of Maryland for schools to develop and implement emergency plans.

Website: <http://marylandpublicschools.org/about/Pages/DSFSS/SSSP/EPSS/index.aspx>

Maryland School Survey

State Department of Education

The Maryland School Survey collects important information about relationships, engagement, the school environment, and safety. School leaders use results to learn about and improve the school community.
