State Programs

Texas School Safety Center

Texas State University

The Texas School Safety Center (TxSSC) is an official university-level research center at Texas State University. The TxSSC serves as a clearinghouse for the dissemination of safety and security information through research, training, and technical assistance for K-12 schools and junior colleges throughout the state of Texas.

Tool

[Texas School Safety Center: Multi-hazard Emergency Operations Plan Toolkit](#)

This online toolkit guides school personnel through the development of their Basic Plan. The Basic Plan is the core of a district's multi-hazard emergency operations plan and provides an overview of the district's emergency management concepts, policies, and outlines a district's organizational structure.
