State Programs

Vermont Agency of Education

State Board of Education

The Agency of Education implements state and federal laws, policies, and regulations to ensure all Vermont learners have equitable access to high-quality learning opportunities.

Vermont School Safety Center

Vermont Agency of Education

Established in 2016, the Vermont School Safety Center is a collaborative effort between Vermont's Department of Public Safety and Agency of Education. This state agency partnership is designed to enhance the level of emergency preparedness in Vermont's K-12 schools, utilizing state, regional and federal school safety partners to identify and share best practices and emerging trends.

Healthy & Safe Schools

Vermont Agency of Education

The Whole School, Whole Community, Whole Child (WSCC) model focuses on youth, addressing critical education and health outcomes, organizing collaborative actions and initiatives that support students, and strongly engaging community resources.

Training & Exercise

Department of Public Safety, Vermont Emergency Management

The Vermont Training & Exercise program documents the State's overall training and exercise priorities, and identifies the trainings and exercises that will help the State build and sustain Core Capabilities.
