

SchoolSafety.gov Back-to-School Reading List

Prevention-Related Resources for K-12 Schools and School Districts

Prevention is the foundation of a safer school. Build it at SchoolSafety.gov.

The following resources provide guidance and insights on K-12 school safety and prevention-related topics to support a safe school year. *Please note this list is not comprehensive and each school community has unique safety considerations. Additional resources can be found on [SchoolSafety.gov](https://www.schoolsafety.gov).*

- ✓ **[Advancing Comprehensive School Mental Health Systems](#)**: Provides guidance to assist K-12 communities in developing high-quality, comprehensive school mental health systems to support students.
- ✓ **[Fentanyl and Opioids: Preventing Overdoses and Related Emergencies](#)**: Provides information and strategies for addressing opioid overdoses at K-12 schools through emergency operations plans and other preparedness activities.
- ✓ **[How to Prevent Cyberbullying](#)**: Provides information to help educators, families, and students identify and prevent cyberbullying.
- ✓ **[Internet Safety Resources for Educators](#)**: Provides resources and classroom activities to promote youth online safety and protect children and teens from the risks of online child sexual exploitation and abuse.
- ✓ **[K-12 Anonymized Threat Response Guidance](#)**: Provides strategies and recommendations to assess, respond to, and prevent anonymous threats of violence, including those received on social media.
- ✓ **[K-12 School Security Guide](#)**: Provides guidance to conduct vulnerability assessments and implement layered school physical security measures to prevent incidents of crime and violence.
- ✓ **[Phishing Guidance: Stopping the Attack Cycle at Phase One](#)**: Provides an overview of commonly used phishing techniques and best practices to prevent successful phishing attempts.
- ✓ **[Quick Guide to Information Sharing During Threat Reporting and Assessment](#)**: Provides information and resources that explain when to release or withhold student information collected through reporting systems and threat assessment processes.
- ✓ **[The Role of Districts in Developing High-Quality School Emergency Operations Plans](#)**: Provides information that can assist school districts in fulfilling both their individual and shared emergency planning responsibilities.
- ✓ **[School Threat Assessment Toolkit](#)**: Provides guidance on the training, implementation, and evaluation of school threat assessment teams.

Prevention actions today pave the way for a safer school tomorrow.
